## EDUCATION

### BA (Hons) in English

Bangladesh University of Business and Technology

2021 - 2024

## SKILLS

- Typescript, Python, C
- React, Next.js, Astro, TailwindCSS
- Node.js, Express.js, Bun, Hono
- MongoDB, SQL, Redis

## PROFILE

I'm Saifur Rahman, a 24-year-old self-taught, passionate full-stack web programmer. I've got immense interest in programming in general, that's how I'm able to learn full-stack development on my own interest. I like to build cool and useful things that people would like to use. I also have a growing interest in AI and cloud computing, currently learning the basics of it.

## PROJECTS
